All members are asked to make a special effort to attend.

Offertory Collection - In line with public health advice, the collection baskets are no longer be passed among the congregation during Masses; supervised collection buckets are available at the church doors.

Adoration continues in the Church on Wednesdays from **9.15 to 10.15.**

Why not come along and spend some time with the Lord.

All are Welcome. Please note finish time 10.15am.

Please do not leave valuables on view in your car while attending Mass.

Coming to Mass, Please remember to:-

- Keep socially distanced and to wear a mask to protect the spread of the virus.
- Please use the hand sanitizers on entering the church.
- Holy Communion must be received on the hand.
- On leaving please take your masks and bulletins home with you.

All signs that have been in place for the past 18 months, restricting access to every second pew will be removed, as you will be able to sit in any pew of your choosing. The removal of barriers will allow parishioners to occupy each pew but we would suggest the at the capacity of each pew be reduced to half.

We are encouraged by the gradual lifting of the restrictions and welcome the prospect of returning to normal life in the Church. We are still conscious of the danger from the virus which remains very real, knowing that the opening up of society is a complex and challenging task.

Thanks to all our parishioners for their cooperation with arrangements. Special thanks to our stewards and the parish staff for their work in keeping people and buildings safe.

Please remember that those who feel unwell or have Covid-like symptoms should not attend ceremonies.
