Bishop Smith asked to have the following the message from the Pro-Life campaign published in the parish bulletins in the Diocese this weekend.

The Oireachtas Committee on abortion voted on Wednesday not to retain the 8th Amendment in full, second guessing the public hearings they had scheduled for the next two months.

Commenting on the vote, Dr Ruth Cullen of the Pro Life Campaign said:

- The committee have issued the verdict before the evidence was even heard. From the very start this process has been a complete travesty.
- The committee has lined up more than 25 abortion advocates to present but have only invited 3 pro-life speakers. This signifies the committee's total contempt for democracy and the protection of human life."
- Dr Cullen concluded: "When the extent of this charade sinks in with the public the workings of this committee will turn out to be a gift to the pro-life cause. In the meantime, we will continue to bring the message to the wider public that abortion is always an injustice to women and unborn babies.

HARVEST FESTIVAL - THANK YOU

Thank you to all who helped make the Harvest Festival such a success last weekend - those who donated all the fresh vegetables, cakes, jams, etc., those who prepared the Church and Parish Rooms, and everyone who participated in the Masses. All proceeds are going to the Meath Diocesan Primary Schools Twinning Project in Burma.
