

We Remember Those Who Died

## **REMEMBER THEM**

Remember, remember, remember those who've died,  
with peace and rest may they be blessed,  
may God be close beside.  
May God be close beside.

God keep them, God bless them,  
God shine your love on them  
Forever and forever, forever amen,  
Forever more, amen

Thank you, God, we love you,  
Thank you, God, we pray.  
Thank you, God, we love you,  
Thank you day by day

Thank you, God, we love you,  
Thank you, God, we pray.  
Thank you, God, we love you,  
Thank you day by day

Remember, remember, remember those who've died,  
with peace and rest may they be blessed,  
may God be close beside.  
May God be close beside.
